Kia ora,

If you are receiving this email it is because you hold shares in Collett's Corner Ltd.

This is a brief email to keep you informed about progress on the sale of the site. As you may recall, in order to liquidate the company we need to sell the site.

We have had a few inquires over the last few months, but they have not translated into an offer.

We are watching the real estate market closely, and receiving advice from our agents. Commercial property sales are starting to pick up. If this trend continues we plan on running a marketing campaign early next year.

We remain committed to selling the site for the best possible price so that we can return as much as possible to shareholders.

Kindly,

Camia Young
