Kia ora,

I'm writing because there was a [Press article](#) about a proposed project for the Collett's Corner site. This was the first I had seen of the proposal. This leak to the Press was from the purchasers via the Council resource consent application.

The site is still under offer, we should know this month if the sale is confirmed. As soon as we do, we will inform all shareholders of the total sale price and commence the distribution process. The distribute of funds will occur once the site settles.

If for whatever reason the sale is not confirmed, we will go back out to the market to sell the site. We have had a number of interested parties approach us in the last few months.

Please don't hesitate to get in touch with me if you have any questions.

Kindly,
